How will hot TCS foods be maintained at 135°F or above or cold TCS foods be maintained at 41°F or below during holding for service? Indicate type and number and type of hot and cold holding units.

IV. ADDITIONAL REQUIREMENTS

A. COMMISSARY/CENTRAL KITCHEN

NOTE: A Commissary/Central Kitchen shall be defined as a central, fixed non-mobile food establishment that meets the requirements of the Food Code and provides the necessary support for the mobile food establishment to operate in a safe and sanitary manner. It includes, but is not limited to, storage and preparation of food, storage and preparation of food, storage of single use items, utensils and cleaning supplies. The commissary may also serve as the servicing area.

1. Is the mobile food establishment self contained? Yes No

If yes, please skip down to the Servicing Area section below.

2. Will food handling and preparation be taking place at the commissary? Describe: _____

3. What non-food items will be stored at the commissary? _____

4. Will refrigeration be available at the commissary? Yes No

5. Will non-TCS foods be stored at the commissary? Yes No

6. Will warewashing facilities be available at the commissary? Yes No

7. What other activities will take place at the commissary? Describe: _____

8. Will the commissary also be used as the servicing area? Yes No

B. SERVICING AREA

NOTE: A Servicing Area shall be defined as a facility/location approved by the Health Authority to which the mobile food establishment or transportation vehicle returns regularly for such things as cleaning, disposing of liquid and solid wastes and refilling of water tanks. If food is to be stored, the facility shall be designated as a commissary and not a servicing area

1. Will the servicing area be within a location owned by someone other than the mobile food establishment permit holder? Yes No

If yes, please skip to the Servicing Area Agreement section on the page 7.

2. The servicing area will be utilized by the owner/operator on a Daily Basis Weekly Basis

Other: _____

3. The servicing area will be utilized for the following services:

Approved Potable Water Source

Waste Water Disposal

Cleaning Area for Mobile Unit

Overnight Storage of Mobile Unit

NOTE: Submission of additional plan review information for the commissary and/or servicing area may be required.

I hereby certify that the information within this packet is correct, and I fully understand that any deviation from the above without prior permission from the Health Authority may nullify final approval.

Signature(s): _____
Owner or responsible representative(s)

Title: _____ Date _____

NOTE: Approval of these plans and specifications by this Health Authority does not indicate compliance with any other code, law or regulation that may be required, whether federal, state or local. It further does not constitute endorsement or acceptance of the completed establishment (structure or equipment). A pre-operational final inspection of the establishment with equipment in place and operational will be necessary to determine if it complies with the local and state laws governing food service establishments.

COMMISSARY/SERVICING AREA AGREEMENT

TYPE OF MOBILE FOOD ESTABLISHMENT:

Self Contained Not Self Contained

MOBILE FOOD ESTABLISHMENT NAME: _____

OWNER(S) NAME: _____ PHONE NO: _____
